ous Constituents

MOB RALLIED AND FOUGHT
FIERCELY WITH SOLDIERS

Many Dead and Wounded—
Fear of Another Revolution
Is Felt

COLON, Nov. 14.—Many
were killed and scores wound-
ed when troops acting under
government orders used ma-
chine guns to disperse mobs
at Corinto and Leon, gathered
to protest because President
Estrada has not carried
through promised reforms.

Revolution is imminent.
Clashes of troops with mobs in
several other towns have been
reported in dispatches.

The trouble began at an anti-Es-
trada mass meeting held yesterday.
When the mob refused to disperse,
the government soldiers trained rapid
fire guns on the rioters and shot with-
out hesitation. The crowd then scat-
tered but formed later and gave the
soldiers a fierce battle.

CHARGES AGAINST CHIEF GALLOWAY

Ex-Secretary Dean Alleges
Chief of Police s Generally
Unfit for Place

LOS ANGELES, Nov. 14.—Incompe-
tence, bullying of subordinates and
general unfitness for the place, are
among the fifteen formal charges filed
against Chief of Police Galloway to-
day by his ex-secretary, Fred Dean.
Dean alleges Galloway made him
(Dean) falsify accounts so the police
department might make a better show-
ing in court files.

Dean's document containing the
charges is couched in attempted hu-
mour and included the declaration
that Chief Galloway paid a press clip-
ping bureau five dollars monthly for
clippings concerning himself.

EASTERN MARKET FREE FOR CALIFORNIA FRUIT

REDLANDS, Nov. 14.—Arthur Greg-
ory, manager of the Mutual Orange
Distributors, the largest independent
shippers in California, has returned
from his annual trip through the mar-
kets of the north and east and brings
back a report encouraging to the in-
dustry throughout Southern Califor-
nia. He visited most of the cities in
the east large enough to take carlot
orders for oranges. He stated that the
only Florida oranges in the mar-
ket now are windfalls. The company,
he says, will ship \$2,550,000 worth of
fruits from this county this year.

—Santa Ana people will have the
services of Mr. Gregory, a Boston
artist, for about ten days, who will
make portraits at your own homes
by photography. Mr. Gregory has
won three national prizes, and his
work is after the old masters and
quite removed from ordinary photog-
raphy. Elegant for Christmas. Ap-
pointments may be made at F. D.

RAIN WILL CAUSE SEINE TO FLOOD

Villagers on Banks Alarmed—
Paris Already Suffers—Fac-
tories May Have to Close

PARIS, Nov. 14.—The rain is con-
tinuing today and fears are felt by
the inhabitants of the Seine villages.
The river is far above the high-water
mark. Unless the rains cease today,
it will overflow its banks in many
places.

The subterranean passages in Aus-
terlitz station are flooded. People
are leaving the lower section of the
city. It is feared the factories will
be forced to close, throwing thou-
sands out of employment.

WILL EXTEND SAN PEDRO BREAKWATER

Huge Rock Seawall to be Joined
to Shore at An Estimated
Cost of \$230,000

Los Angeles Examiner: At a cost
approximating \$230,000 the great gov-
ernment breakwater at the Los An-
geles harbor, which was recently com-
pleted at its outer end at a cost of
\$2,840,000, will be joined with the
shore. The 1900-foot gap between the
present shore end of the huge, rugged
rock wall and the shore proper will
be closed within a few months.

Bids for the construction work al-
ready have been advertised for by
Captain Stokely, United States En-
gineer for this district. On Decem-
ber 1, at the engineer's office in the
Central building, bids will be opened
and the contract let to the lowest bid-
der.

By this extension of 1900 feet the
still water area at the harbor will
be increased and the whole protected
from the choppy waves now caused
by the current sweeping through the
present gap. The addition also will
prevent the still water area from
being filled with sand washed through
the gap by the currents.

The appropriation of \$178,000 made
for harbor development by the rivers
and harbors bill passed by congress
June 25 and all but a few thousand
dollars of the \$60,000 left over from
the original appropriation of \$2,900,-
000 will be used to complete the great
engineering project.

The length of the breakwater is at
present 9250 feet. With the addition
of 1900 feet it will have a total length
of 11,150 feet. The present wall of
rock protects an area of 400 acres and
represents ten years of labor. The ex-
tension to the shore will insure safe
anchorage for the largest vessels in
the worst storms.

GLENN L. MARTIN CUTTING CIRCLES WITH BIPLANE TO GIVE AVIATION PARTY SOON

Glenn L. Martin has been doing
some flying with his bi-plane during
the last two weeks that shows that
he has the right kind of a machine
and that he has the nerve, eye and
control of an aviator. This morning
he took a flight from near James Mc-
Fadden's house to the sugar factory
and there circled and returned to near
the point of starting. The flight was
two miles in length, and at one time
Martin was up nearly 100 feet.

This wonderful flight has been ac-
complished several times by the Santa
Ana aviator. Friday evening he
flew and circled, returning to the
place of starting, and Saturday morn-
ing he made a flight with a circle that
was remarkably short, and in the re-
cord class.

On Thursday or Friday of this week
Martin is going to hold an aviation
party, to which the public is to be in-
vited free of charge. The flying ma-
chine has been kept of late in the
pasture east of James McFadden's
house on McFadden street. The

GARDEN GROVE MAN
WAS STOCKHOLDER

Heirs Will Get \$300 From the
Settlement of Dowie's Ven-
ture in Illinois

That T. O. Wightman, who died at
Garden Grove on Feb. 10 and who
was buried in a coffin he had long
had prepared for the service, was a
stockholder in Dowie's Zion City was
shown today when Attorney H. C.
Head for the widow, Mary C. Wight-
man, filed a petition for letters of ad-
ministration on the estate of T. O.
Wightman.

The petition states that Wightman
had an interest in Zion's Institute and
Industries at Zion City, Ill., which is
a bankrupt corporation now in the
hands of a receiver, Gus D. Thomas,
who intends to pay on Wightman's
claim the sum of \$300.

The heirs are the widow, of Gar-
den Grove, May Wightman of Los
Angeles, Charlotte Wightman of
Marietta, O., and Elmer Wightman
of Chicago.

U. S. SENATOR CLAY DIES SUDDENLY IN ATLANTA

ATLANTA, Ga., Nov. 14.—U. S.
Senator Alexander Stephens Clay died
suddenly at 4 o'clock yesterday af-
ternoon in the Atlanta sanitarium, to
which he was taken ten days ago in
the hope that special treatment might
prolong his life. He died suddenly
while chatting with his wife and son.
Dilation of the heart caused his death.

CALL FOR BANK REPORTS
WASHINGTON, Nov. 14.—Compt-
roller of the Currency Murray today
issued a call for reports of the con-
dition of all National banks at the close
of business on November 10th.

ground is a little rough, and in his ex-
perimental flights Martin has had to
keep a sharp lookout for fences and
bad ground. That he will do great
stunts when he gets level, smooth
starting ground and clear lighting
ground is certain.

Martin is going to dismantle his
machine soon and take it to Dominguez
field, where he will experiment
and do some flying preparatory to the
winter meets. Martin has some new
ideas in flying-machine construction,
and there is some talk of organizing
a local stock company to put the ideas
into force. That the man has the fly-
ing instinct and the ability to make
a machine and fly it has been demon-
strated under conditions that would
discourage most people. The machine
that Martin now has is the best ma-
chine in the state today. It is heavy,
weighing 750 pounds without the op-
erator, and its engine is but a 30-
horse-power, but the machine flies, and
it flies well. With Martin in the seat,
this morning it went against a strong
breeze, and cut an accurate circle.

MASKED ROBBERS SECURED PLUNDER

Gagged and Bound Watchman
at Flory Grain House and
Dynamited Safe

LOS ANGELES, Nov. 14.—After
overpowering and gagging Night-
watchman Nolan, three masked rob-
bers dynamited the safe of the D. P.
Flory Company, wholesale grain deal-
ers and secured one hundred dollars
cash and negotiable paper worth sev-
eral hundred dollars. Nolan was
found bound to a post. He was unable
to furnish an adequate description.
The robbery occurred at 4 o'clock this
morning.

The men worked over the safe an
hour, Nolan said, then exploded two
charges of dynamite. Nolan was
so weak when released that he was
unable to speak for half an hour.

FEDERATION MEETS TODAY

Labor Convention Will Have a
Warm Fight—Socialists Will
Oppose Gompers

ST. LOUIS, Nov. 14.—The thirtieth
annual convention of the American
Federation of Labor convened today.
President Samuel Gompers will pre-
side. Every state and many Canadian
provinces will be represented.

Victor Berger, the Socialist recent-
ly elected to Congress from Wiscon-
sin, took an active part. He opposes
the re-election of Gompers to the
presidency. A sharp fight is expected
between the Socialists and the
other members of the Federation.

Today's session was devoted to rou-
tine business. Reports of President
Gompers and Secretary Morrison were
read.

MESSANGER BOYS FORM ASSOCIATION AND OPEN OFFICES

LOS ANGELES, Nov. 14.—The
striking messenger boys today formed
a co-operative association and opened
offices for business. The American
District Telegraph Company is hiring
strikebreakers. The three unionists
arrested for picketing will be arraign-
ed late today.

BERKELEY, Nov. 14.—College ex-
ercises were practically suspended
today while three thousand of Cal-
ifornia's students celebrated Sat-
urday's football victory over Stanford,
when California won with a score of
25 to 6. The rally held in the football
field, where coaches, players and fac-
ulty men addressed the undergraduates.
Red fire was burned all night in the
hills behind the campus.

TRAIL LEADS TO GHASTLY FIND OF CORPSE

Visitor to 'Frisco Follows Path-
way of Blood—Finds Dead
Woman Under Sidewalk

POLICE ARREST COUPLE
OF LIVERY STABLE MEN

One of Suspects Had Picture of
His Mother Resembling the
Murdered Woman

SAN FRANCISCO, Nov. 14.—Fol-
lowing the trail of blood spotsches on
the pavement, Frank Smith, a visitor
to San Francisco today found the
body of a woman with head beaten in-
to a shapeless mass, hidden beneath
the sidewalk. The bloody trail led
from a stable near Leavenworth and
McAllister streets, where the body
was found.

Detectives arrested John Knapp,
aged 57, who lived about the stable.
Officers say they found an iron win-
dow-weight in his room, matted with
hair and stained with blood. Knapp
protested his innocence. The police
assert that the walls and ceiling of
the stable were splattered with blood.
They claim that Knapp's clothing was
blood-stained and his face scratched
as though from an encounter with
women.

"I was standing near the stable
when I was arrested," Knapp declared.
"I know nothing of the murder. I
have been on duty here all night."

Police who found a picture of
Knapp's mother in his room say it
resembles the murdered woman.
Knapp declares his mother is in San
Jose. The police are trying to verify
his statement.

Before noon James Stephens, also
employed in the stables, was arrested.

EXPRESS DRIVERS RETURN TO WORK

Strikers Apply for Old Places

MEXICO WILL NOT TAKE INDEMNITY

Expresses Satisfaction Over
Efforts of Texas—Would
Avoid Further Trouble

WASHINGTON, Nov. 14.—Mexico
is satisfied with the efforts of Texas
to capture and prosecute the men
who lynched Antonio Rodriguez and
money indemnity will be asked and
if it is proffered it will not be accept-
ed. It is believed here that the de-
claration that they will not accept in-
demnity is prompted by the fear that
if an indemnity is paid, America will
be in a position to demand heavy pay-
ment for damage done to American
property here in the recent riots. It
is certain the difficulties arising dur-
ing the last two weeks will be settled
amicably.

GAZALAJARA IS QUIET IN INTERIOR OF MEXICO

EL PASO, Nov. 14.—Reports from
the interior of Mexico indicate that
the anti-American feeling is gradually
dying down. No demonstrations took
place Sunday although the troops
were still on guard.

Conditions are nearly normal in
Mexico City. Crowds are not per-
mitted to gather. Several American
business houses opened their doors
today.

GUADALAJARA IS QUIET

GUADALAJARA, Nov. 14.—The city
is quiet today, although Americans
generally are remaining indoors. The
authorities are having the streets pat-
rolled and the soldiers will not per-
mit crowds to gather. It is now be-
lieved the rioting is over.

WASHINGTON, Nov. 14.—The deli-
cacy of the situation between Mexico
and the United States brought about
by the late anti-American riots result-
ing from the recent burning of Rod-
riguez at Rock Creek, Texas, was in-
creased in the last two days by the
shooting of Jesus Loza by Carlos B.
Carruthers, an American, at Guadala-
jara, and the assassination of Chief of
Police W. C. Temple, of Anadarko,
Okla., by a Mexican.

REORGANIZE THE ARMY IS TO BE THE DEMAND

Reliably Stated That General
Wood's Forthcoming Report
Will be Grand Exposure

IT WILL CLAIM ARMY IS
REAL POLITICAL ASSET

Defenseless Pacific Coast Must
be Adequately Garrisoned
at Early Day

WASHINGTON, Nov. 14.—The de-
fenselessness of the Pacific Coast al-
leged in the resolution of Representa-
tive McLachlan of California calling
for a report on army conditions, is re-
vealed in reports soon to be filed by
General Wood, chief of staff, accord-
ing to reliable information.

It is expected the report will be the
most comprehensive exposure of the
army's condition ever made public.
The report will assert the army is di-
vided into military units so that many
"political posts" may be garrisoned,
and it will demand the entire reorgan-
ization of the army.

It will also ask the immediate and
adequate garrisoning of Hawaii and
the Panama canal and soon of the Pa-
cific Coast. It will recommend the
abandonment of unnecessary military
posts, the addition of twenty-five reg-
iments to infantry line, seven reg-
iments to the field and artillery line,
and concentration of troops of large
garrisons on both coasts.

The report will assert that the reg-
ulars have been compelled to spend
their time and labor to keep the posts
repaired, consequently are deficient
in military training. Many officers, it
will allege, have been made adminis-
trative instead of tactical command-
ers. Military authorities now assert
that many would be actually unable
to place a single division of trained
troops in the field in the event of war.

SEC. WILSON SAYS COST OF LIVING WILL SOON TUMBLE

WASHINGTON, Nov. 14.—Secre-
tary of Agriculture Wilson today pre-
dicted the prices of meat would
soon decline. He agreed with
Charles Armour that this year's
bumper crops would reduce the cost
of living.

"Crops are excellent everywhere,"
Wilson said. "As a result, prices of
meat, and therefore other food stuffs,
are sure to decrease. The average
man will soon be able to regain his
financial breath."

FINE MEETINGS WERE HELD YESTERDAY

Large audiences attended services
at the Congregational church yester-
day. District Attorney S. M. Davis
made a strong address before the Sun-
day school on Temperance Reform, in
which he compared the licensed sal-
oon and the "blind pig" to the dirt
upon a baby's face, which needs to be
washed off without any thought of
finding a substitute. It being Tem-
perance Sunday, Rev. Charles H. Sec-
combe in his morning sermon referred
to the enormous waste represented by
the annual drink bill of the American
people. "The New Chivalry," he de-
fined in the evening as the Christian
life, which calls for valor and cour-
tesy combined, and fearless loyalty to
the right. The ten minute organ re-
cital of Mr. Revill and the work of
the double quartet were much ap-
preciated by the audience.

HARD FOUGHT GAME WAS WON BY SANTA ANA TEAM 3 TO 0

The Santa Ana High School defeated Pasadena High School's football team here Saturday afternoon by a score of 3 to 0. The game was won in the third quarter by a place kick from Lutz's boot and Reeves' hands.

The field was heavy and enough rain fell to make the earth cling to the shoes of the players. Consequently the play was slower than it otherwise would have been. However, the

game was hard-fought, some of it was remarkably fast and all of it was interesting, it being the first game under the new rules played here. With regulations that do away with much of the old-time piling up, the spectators see more of the work of the players.

Santa Ana's team showed careful training. The boys played all together, and the evident willingness

of every man to do the thing that helped the play speaks well for the coach, the captain and the spirit of the team. Coach Ratcliffe has made good.

Two games were played Saturday. The first game was between the second team of the Santa Ana High School and the team of the Anaheim High School. On Friday the Anaheim team defeated the Orange High by a score of 11 to 0. The teams engaged in the game here Saturday were evenly matched. Both sides scored a touchdown and kicked a goal, making the score 6 to 6. The game was called off at the end of the third quarter. During the game Harold Gould, an Anaheim player, had his collar-bone broken in a collision with a Santa Ana player.

There was a large and enthusiastic crowd present for the Santa Ana-Pasadena game. The management wisely refused to play unless the field was kept entirely cleared of spectators.

Pasadena in the first quarter made numerous attempts at forward passes, but failed as often as she succeeded. Santa Ana's work with the forward pass was cleverer, and each successful pass netted more yards than did Pasadena's best pass. The longest pass of the game was from Lutz to Wotton.

The ends, Reeves and Wotton, got down fast on punts. Consequently Pasadena made little on her run-ins. Reeves distinguished himself in the first five minutes of play by nailing the runner-in fast and hard almost at the catch.

Pasadena excelled in her dashes around tackle. In ground gaining by straight carrying of the ball, Pasadena had a good deal of the best of it, but Santa Ana averaged up on punts, forward passes, and in nailing the runners-in. Pasadena's punter had the best boot for distance, but Lutz of Santa Ana out-averaged him by reason of the fact that he got his ball clear, while the Pasadena man suffered two blocks.

It was well worth while watching Santa Ana's backs in action. The four of them, E. Reeves, Newcomer,

Menges and Lutz, often assisted in carrying the ball by the ends, who also did excellent work in interference, put ginger and determination into their play. This bunch ought to make a great showing of snap and ginger on a hard field.

The linemen, who in a football team get less chance to star, but who have hard work to do and in whom a weak spot means yards for the other fellow, held up well.

Santa Ana's winning score was made in the third quarter. Santa Ana got the ball on Pasadena's kick-off. With heady runs and a punt, the local players got the pigskin well over the center. A forward pass from Lutz to Newcomer netted ten yards. Pasadena got the ball on Santa Ana's 25-yard punt, and lost it in a failure to pass forward. With the place at 20 yards from the posts, Reeves and Lutz fell back for a place-kick. The line held, and Reeves' place was true. Lutz kicked, and the ball went a couple of feet inside the left post. Score 3 to 0.

A fumble spoiled Pasadena's chance for a score in the last quarter.

REPUBLICANS ONLY ELECTED IN 1894

We stand corrected. The Register was informed that on Jan. 1 of next year there would be fewer Democrats in the courthouse than ever before, J. C. Joplin as treasurer to be the only Democrat. Linn L. Shaw brings in the statement, which is correct, that in 1894 there was elected a full set of Republicans for the courthouse. Bob Graham was elected constable that year, and he was the only Democrat hereabouts who was successful in getting a public job. That year S. M. Craddock of Orange was chairman of the central committee and George E. Peters was secretary.

The officers elected that year were: Assemblyman, McKelvey; sheriff, Nichols; clerk, Brock; assessor, Vegeley; treasurer, Harris; recorder, Scott; district attorney, Ballard; tax collector, Freeman; school superintendent, Greeley; surveyor, Kellogg; auditor, Hall; coroner and public administrator, Clark.

Judge Townner, Democrat, was on the superior bench until 1896, when he was succeeded by Judge Ballard, Republican, and Z. B. West, Republican, was appointed district attorney. Thus from 1896 to 1898 the courthouse officials were all Republicans.

ACT QUICKLY

Delay Has Been Dangerous in
Santa Ana

—Do the right thing at the right time.

Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills.

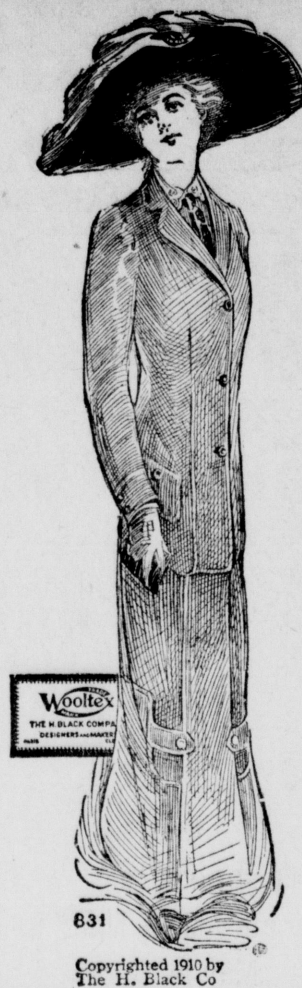

Plenty of evidence to prove this. Mrs. L. A. Steele, 517 West First street, Santa Ana, Calif., says: "I had kidney trouble nearly all my life and during the past four years, my condition became worse. Inflammation of the bladder caused me intense suffering and the kidney secretions were unnatural. My back was weak, lame and painful and if I sat down for any length of time, it was difficult for me to get up. The least cold I caught aggravated my trouble and I was subject to headaches, dizzy spells and a tired, languid feeling. Nothing seemed to help me and I was finally led to try Doan's Kidney Pills by reading accounts of their good work in similar cases. As soon as I began taking this remedy, I noticed a change for the better and by the time I had used three boxes, my health had greatly improved. My experience with Doan's Kidney Pills gives me much confidence in them."

EXPLOSION OF TANK FATAL

Rancher at Anaheim Was Killed by Acetylene Plant—Basketball Game

ANAHEIM, Nov. 12.—D. A. Cole, who resided about one and one-half miles west of Anaheim on the county road, was killed this forenoon by the explosion of an acetylene gas tank. He used the gas for lighting his house and in doing some work about the machine this forenoon it exploded and he was killed instantly. He lived here with his family about three years.

The fine residence of John Resh, at the edge of the city limits, occupying a commanding site on South and East streets, is being completed. It is of the Swiss chalet style of architecture, contains eight rooms and the dimensions of the main part of the new home are 30x46 feet. On the east and south sides there is a wide porch. The

building is made of split shakes, covered with rubberoid and has a flat roof. The eaves overhang the main building fully four feet, giving a pretty effect. This structure cost more than \$5000.

By a score of 10 to 3 the Fullerton High School girls' basketball team defeated the Anaheim girls here yesterday. The latter's lack of familiarity with the 1911 rules, under which the game was played, was responsible for their defeat.

LESTER NEW CITY TRUSTEE

Hemstreet Wants Newport Beach to Pay for Exhibits Stolen from City Hall

Newport News: Trustee John McMillan presented his resignation to the board of trustees at the regular session of that body held Monday night, which was accepted, and on motion of C. A. Barton, seconded by R. J. Stauss, A. A. Lester was appointed to fill the vacancy. Lester is manager of the Newport Bay Investment Co. at Balboa and was a member of the board four years ago. He was defeated at the election held last spring by four votes, by Trustee Stauss.

A letter was read from the state board of health offering its assistance if possible in case Santa Ana made Newport Bay a dumping ground for her sewer.

The Newport Bay Electric Light & Power Co. offered to light the streets with electricity for \$125 per month and furnish thirty-six 80 candle-power tungsten arc lights every night from dark to midnight except when the moon is bright. The present lighting schedule with the gas company is not so broad and when the moon is due to shine or is obscured by clouds or fog the city is dark. Street Superintendent Hermes reported that the present street lights were very bad and recommended that they be abandoned. The board was inclined to look favorably on the proposal of the electric company, and Trustees Barton and Lester were appointed a committee to confer with the electric company and arrange the minor details for lighting the city.

John McMillan was appointed as head of the water department at a salary of \$90 a month.

C. S. Hemstreet presented a claim for \$39.50 for liquor that had been confiscated and not returned to him at the time his blind pig case was dismissed. The liquor was stored in the old city hall at the time of the fire and a great deal of it was stolen. Earl Wilkey, who was arrested for

A Woman's Back

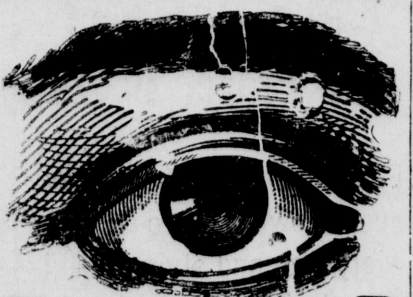

Has many aches and pains caused by weakness and falling, or other displacement of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cures. It is the most potent invigorating tonic and strengthening medicine known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful or habit-forming drugs. Its ingredients are all printed on the bottle wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy of known composition, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

the stealing, broke jail and escaped City Attorney Clyde Bishop advised that he yet had another charge against Hemstreet and that the trustees should pay no attention to the claim until it was presented in the regular way.

The marshal reported that the jail was in bad condition and he was instructed to try to secure a location for a new fire proof jail, that will be built by the city as soon as the site is secured. The escrow officer was instructed to turn over to J. H. Sharps \$750 of the purchase price of the water works, but Mr. Sharps will not receive his money for removing the old bath house until the stumps of piles are blown out.

A petition from property owners along the front asking that the automobile road along the front be extended as far as Thirtieth street was granted and the street superintendent was instructed to have the road built and furnished with a dressing of lime. The line can be secured from the Santa Ana sugar factory for nothing, the only expense being the cost of loading and hauling. On the short stretch in front of the bath house it seems to fill the bill as a road making material very acceptably and the trustees have decided to build the entire road of dirt and cap it with lime. One economical thing about the line is that it does not require oiling.

GARDEN GROVE NEWS BUDGET

GARDEN GROVE, Nov. 11.—A large number of Garden Grove people are attending the Sunday school convention being held in Santa Ana.

Mr. and Mrs. J. T. McElree are business visitors at Los Angeles today.

The teachers of the Garden Grove school will be given a reception on Friday evening, Nov. 18, at the school hall. The entertainment will be in charge of the W.C.T.U. All are invited to come and get acquainted with the teachers.

Special evangelistic meetings will be held at the Methodist church during the month of December. Rev. Ashleigh has secured Mr. and Mrs. H. B. Ireland to assist him.

The Y.H.P. will meet at the home of Miss Elma Butler on Friday evening. "Equal Suffrage" will be the topic considered. Members and friends are invited to attend.

Miss Helen Connell, a former resident of this place, is quite sick in Los Angeles. She was married one week ago. Her health has been very poor for the last year, and it is feared she may not recover.

Irvin Nichols spent Sunday in Pomona with his cousin.

E. Beardsley is contending with the "grip" this week.

Mrs. Geo. Cook and mother are business visitors at Los Angeles today.

Mrs. K. G. Stark, who has been visiting her parents, Mr. and Mrs. Chas. Swall, returned to her home on Thursday.

H. C. Powell is on a business trip to Tulare, and expects to be there a week or ten days.

Mr. and Mrs. Geo. Eells and Mrs. Davidson started for Tulare on Tuesday morning by auto. They expect to stop at by places, also go on to Porterville.

Mr. and Mrs. J. Slack of Los Angeles were guests of Mr. and Mrs. S. Penfold on Thursday at their home east of Garden Grove.

It is reported that E. Himmelman has sold his fine five acres in the north part of town for \$9000. The purchaser is a Los Angeles man and will take possession on the 15th of this month. Mr. Himmelman expects to go to Germany.

C. A. Seaman is preparing to build a new residence on his ranch, two miles west of Garden Grove. He has just completed a new barn.

At the regular meeting of the Y. M. C. A. the following officers were elected: P. M. German, president; Garfield Allen, vice president; George Oertley, secretary; J. T. McElree, treasurer. Bible classes are meeting regularly.

Mr. and Mrs. H. L. Parks and family are making a week's end visit at Los Alamitos.

N. Carmichael has moved a small house onto the fifteen acres recently purchased of S. Penfold and after remodeling and building onto it will occupy it with his family.

The Religious Literary Society gave a social at the home of H. C. Powell on Friday. A program was given, after which games were played and refreshments were served. A very enjoyable time was had.

Joe Bachman, son of Mr. and Mrs. E. M. Bachman, who has been sick for some time, died on Friday morning at Upland.

Mr. W. H. Hendling is a business visitor at Los Angeles today.

L. L. Burrier has started work on a new house on his place just south-east of town.

F. L. Hunt has just completed a new house on his ranch northeast of town.

Mr. Arrowsmith has begun work on his new house in the home tract.

DON'T BE BALD

Nearly Anyone May Secure a Splendid Growth of Hair

—We have a remedy that has a record of growing hair and curing baldness in 93 out of every 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.

We are so certain Rexall "93" Hair Tonic will cure dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for it in every instance where it does not give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed, and does not grease or gum the hair. Two sizes, 50c and \$1.00. With our guarantee back of it, you certainly take no risk. Sold only at our store—The Rexall Store, Dean's Drug Store, 104 West Fourth street.

The Real Facts About White Slavery

"The Girl that Disappears"
By Gen. Theo. A. Bingham

"Five years is the average life of 'The Girl who Disappears' into the underworld of New York. There are 30,000 persons engaged in the business of vice in this one city, and they die so rapidly that it is necessary to import 2,000 girls a year from Europe, besides the girls of the United States caught in the net."

General Theodore A. Bingham, former Commissioner of Police for Greater New York, is authority for these statements in a tremendously important article in the November Hampton's Magazine. General Bingham draws the curtain from the Tenderloin and shows his reason—the life there as it is revealed to the policeman.

A complete, frank discussion of the entire social problem, offered in the only spirit General Bingham thinks sufficient to justify such a discussion—the effort to find a remedy.

BABIZE STUDIO OF MUSIC AND ART

The charm of many a present is in its usefulness. What could be more acceptable to a young person who loves music than the presentation of a musical instrument? A gift of a fine violin, mandolin or guitar surely would be a real joy to those who are hungering for a chance to develop their musical talent, but are deprived of this privilege for want of the instrument. Come in and see these beautiful Gibson mandolins and guitars and let them tell their own story. It is a pleasure to show you these superb instruments. The prices have been placed to meet all competition and criticism. See them at the Studio Music and Art Store, 415 N. Main street. Room 5, Arcade Bldg.

Society**Reception to Freshmen**

The sophomores of the High School extended the "glad hand" to the freshmen class of that institution on last Friday night, the function taking place in the Assembly Hall, which was prettily decorated with potted palms, and other greenery, and the colors of the class, the freshman white and the blue and gold of the sophomores. In the receiving line were the reception committee of students and the class teachers, Misses Gowdy and Arnold. Music was furnished by the High School orchestra.

The evening was largely devoted to conversation, and short addresses by the class presidents. The welcome address was made by Stuart Smith and response was made by Hugh Gale. Prof. Cranston was master of ceremonies. W. A. Bartlett was the speaker for the faculty. Refreshments were served in the class rooms, consisting of ice cream and wafers, and were followed by a grand march in which all joined.

Thank Offering Meeting

The annual thank offering meeting of the Woman's Missionary Society of the Congregational church will be held tomorrow afternoon at 2:30 o'clock at the home of Mrs. C. H. Secombe, 928 Spurgeon street. Miss Nina Rice, a missionary from Sivas,

Turkey, will address the meeting. All ladies are cordially invited.

Of Pepito Arriola

Of Pepito Arriola, who is to appear in concert here next Wednesday night at Spurgeon's Hall, Bruce Gordon Kingsley wrote the following critique after the concert given last Friday night in Los Angeles by the boy wonder:

"Last night at Simpson Auditorium Pepito Arriola, the twelve-year-old boy pianist, opened the second or supplementary Behymer Philharmonic course. Pepito is a delightful little fellow with dark hair and aesthetic features. Dressed in a white sailor suit, he completely won the hearts of his audience by his masterly interpretation of the first number on the program, the Bach G Minor Fantasia and Fugue.

This number was originally written for the organ, and, as all organists know, is most difficult. As a piano solo it is even harder, for the left hand has to play its own part. These difficulties were nothing to little Pepito, and for an exhibition of great technical skill was one of the finest things ever seen or heard by local music lovers.

In the Chopin numbers little Pepito demonstrated the beauties of this composer better than many an adult pianist posing as an artist. He showed the delicacy of touch of a finished artist, and in the B Minor Scherzo the technical display was brilliant.

Last on the program was the famous Liszt Campanella waltz. This, one of the hardest of compositions, offered seemingly no difficulty to the little player.

"Arriola is, without doubt, one of the greatest examples of infantile genius."

Keith-Head

Miss Lillian Mary Head, daughter of Mr. and Mrs. George Head of Santa Ana, was married at noon on November 12, to Aylmer Wylie Keith of Prescott, Arizona, at the home of the bride's parents.

The bride was attired in cream crepe trimmed with white satin, and carried a bouquet of white roses, be-

ing attended by her sister, Dorothy. The rooms were decorated with white chrysanthemums and smilax.

After the ceremony, which was performed by the Rev. F. Field of Glendale, a breakfast was served, and the young couple, who are both graduates of the class of '08, University of California, left for a ten days' trip, and will be at home at Prescott, after November 25.

Those present were the bride's parents, the Misses Mabel, Myrtle and Dorothy Head, sisters, and Hubert Head, brother, of the bride; Mrs. Powell of Claremont, sister of the bridegroom, Miss Helen and Master Keith Powell, Miss Pearl Graham of Covina, Miss Mabel Waite of Fernando, Miss Elsie Shearer of San Diego, Miss Laura Hardcastle, Miss Anna Schneider and Mrs. Edward Cromie of Los Angeles.

"Y" Meeting Program

At the "Y" meeting to be held tonight at the residence of Mrs. Theo. Winbigler, 207 East Ninth street, the following program will be given:

The Randall Musicales

A most delightful musicale was given last Saturday afternoon at the spacious Randall residence on East Seventeenth street, with Mesdames G. H. and S. H. Randall as hostesses. The rooms were beautifully and daintily decorated with smilax and white and pink chrysanthemums, and in spite of the afternoon's showers the parlors were well filled, fifty guests being present. The hostesses were assisted in receiving by Mrs. S. M. Davis, Mrs. Gertrude Finley and Mrs. Margaret Stewart, and in the serving of refreshments were aided by Misses Edna and Doris Robbins, Frances Bruner, Ida Oederlin and Katherine Gilbert. The fair young ladies served Manitou ginger champagne during the first and second parts of the musicale.

The splendid musical program that entertained the guests was rendered by Prof. C. A. Gustlin, who showed exquisite taste in selecting numbers appropriate for a drawing room concert. His numbers included Schubert's Minuet in B Minor, a quartet of Schumann melodies—Warum, Grillen, Nachtstruck and Traumerlei; Chopin's Berceuse and half a dozen other Chopin numbers; To a Wild Rose and to a Waterlily, by Macdowell; Grieg's To Spring and the "Butterfly;" waltz in C Sharp Minor, and Toccata, by Jonas, and Liszt's Der Liebestraum. These were played with all the charm of fine interpretation and technical brilliance for which Mr. Gustlin is noted, and the audience was keenly appreciative of every number. Repeatedly encored, Mr. Gustlin responded but once, and then with a repetition of the exquisite Chopin Berceuse, which had entirely captivated his hearers. The enjoyment of this lovely number was greatly enhanced by the reading of Edward Baxter Perry's analysis of it, by Mrs. Ella I. Pyfe. Mrs. Pyfe also most beautifully read Perry's analysis of Chopin's Prelude in D Flat, played later by Mr. Gustlin. The afternoon of harmony showed Mr. Gustlin's mastery playing to have been marvelously improved by his assiduous studies abroad, and he was showered with praises on every hand.

As a social event, the affair was one of rare pleasure and the hostesses were congratulated on the success of their entertainment and the introduction of Mr. Gustlin in so pleasant manner.

Killed the Pig

Mrs. Ralph Mead entertained her Sunday school class of twenty boys last Saturday afternoon at the killing of a pig the class has been fattening with pennies and spare cash. Nineteen dollars was found to be the result of the fattening process, and this sum will be applied to the furnishing of the Sunday school room in the Congregational church occupied by the boys.

Games were played and two prizes were awarded, Larry Davis winning first and the consolation going to Llewellyn Wilson. Ice cream and cake were served.

Chapter Party

Chapter A. B. P. E. O. on last Saturday afternoon entertained a party of friends at the home of Mrs. John Tubbs. The colors of the chapter, yellow and white, were introduced in the house decorations, tally cards and in the refreshments. Chrysanthemums were the flowers used in decking the rooms and tables.

Whist was the afternoon's diversion and high score with a prize of a Bohemian glass compote was captured by Miss Gladys Harrison, second prize, a brass card receiver going to Mrs. W. L. Tubbs and Mrs. Theodore Lewton winning the consolation, an embroidered handkerchief.

The ices, cakes and candies served in refreshment were of yellow and white. This entertainment was the third of a public character given since these organization of the chapter a few months ago. Miss Dickinson of Redondo, a past president of the state organization, was a guest of the chapter.

Mrs. Frank Harris spent today at Los Angeles.

James Peoples, city clerk of Petaluma, and his wife, visited Mr. People's cousin, L. L. Vestal, here today. Mr. Peoples is on his way to attend the convention of the California League of Municipalities at San Diego.

Misses Clara G. Felts and Nellie Richards returned this evening from a few days' visit with friends in Pasadena.

The final meeting of the Sunday School convention committee will be held at the Congregational church Tuesday evening, November 15, at 7:30 o'clock.

The chairmen and all members of all the various committees and sub-committees are expected to be present at this meeting and make their reports. All bills for supplies furnished or work done for any of these committees must be in the hands of Mr. J. G. Quick before this meeting.

Conservatory Corner

After a short interval of rest both to you and to ourselves, the Conservatory Corner again makes its appearance to assure you that we are still alive and progressing.

I want to tell you tonight of a concert which I wish every citizen of Santa Ana might hear. It is that to be given by the great Spanish child prodigy next Wednesday, i. e., Wednesday of this week, at Spurgeon's Hall. Many of you have already read the glowing criticisms of his concerts in Los Angeles. Critics and musicians everywhere have acclaimed him the greatest musical genius since Mozart.

I had the pleasure of knowing him very well in Berlin and it is principally through this intimate acquaintanceship that I have been able to get him for a concert here. I have also induced his manager to withdraw his city prices which are 75c to \$2.50 and make the prices for seats 50c, 75c and \$1.00. Furthermore I have arranged for a reduction of these prices for children, viz: 50c seats for 35c, 75c seats for 50c, and \$1.00 seats for 75c. These prices are not only for Conservatory students but for school pupils also.

There is no one, musical or not who will not be able to recognize the extraordinary genius of this twelve year old child, who has played before kings and queens and many of the greatest pianistic celebrities.

Let us give him a warm reception. Tickets may be had at the Conservatory office, Hervey block, Room 10, 204½ East Fourth street. Phone Main 214.

THERE IS ONE THING THAT IS CERTAIN

The time is past when a dairy conducted in the old fashioned, careless way can give satisfactory service. The public now demands that the milk and cream they use must be pure and clean.

This is possible only by employing modern sanitary methods not only in the manner of caring for the milk but in the selection and care of cows.

Our cows are selected with care, are housed in sanitary stables, given the best of feed and kept perfectly healthy.

Try our pure milk and cream.

ALEJO MACIAS SAYS SAINZ WANTED TO KILL L. H. PADGHAM

Deputy Sheriff Wilson and James Ott started yesterday for San Quentin, taking to prison Alejo Macias, who has a thirteen-year sentence for forgery, and Martin Juarez, three years for manslaughter.

Macias, who escaped from jail with Rosario Sainz, stated before he left that Sainz would have killed Sheriff Lacy had it been necessary for him to have done so to escape. Also he said that Sainz wanted to shoot L. H. Padgham, who prevented the two men from stealing two bicycles. At that time the men knew they had but five cartridges, all of them in the revolver they had taken from jail, the rifle being unloaded. Macias says he asked Sainz not to kill the man because they might need all five shots later, and Sainz finally agreed not to shoot him.

DAILY CITRUS REPORT OF EASTERN MARKET

NEW YORK, Nov. 11.—Four cars Valencia sold. Market held very steady under active demand.

LOS ANGELES PRODUCE MARKET

Where are eggs going? That is the question. It has been a perturbing influence in the minds of the commission men, has kept the retail merchant busy explaining every day of the six days of the week and is giving the consumer a very wholesome regard for the egg as a delicacy. The price on case count, or the jobbing quotation on farm eggs, just as they come from the ranch without grading, was up to 50 cents on a number of sales reported. The quotation as fixed by the egg committee is 48 cents on case count and 52 cents on candled stock. In San Francisco they are paying up to 57 cents with 55 cents the accredited basis of all egg trading for yesterday. The upward trend seems to have no limit and unless the hens of California get very busy, the average family will forget what a fresh ranch egg tastes like. Eastern extra select stock was quoted at 38 cents and average storage sold at 32. Seconds, the kind that bakers use and cheap restaurants for making cakes and similar things are selling at 27 cents. Arrivals yesterday were just 71 cases.

Butter receipts were 12,212 pounds. The demand was not over large and prices were unchanged in all grades. Second-class stock is moving better than the best creamery. Storage butter is beginning to move freely.

There were few offerings and sales in the cheese market. The demand for cheese was limited to one eastern and northern fresh. Receipts of cheese were 1521 pounds.

Lompoc and Salinas potatoes are again beginning to invade the market. The thrill of the Highland is overcome for a time at least and spuds from all parts of the state, and also from outside, will begin arriving on Monday. Salinas and Lompoc spuds are quoted at \$2. Receipts yesterday were 2430 sacks.

The onion market also showed very active conditions. Oregon, Nevada and Lompoc onions, some to arrive within a week, some already on their way and others for more distant delivery, were offered and sold. Nevada onions hold the highest mark in quotations, \$1.70 being asked in a jobbing way. Others average \$1.50.

Further declines in pink beans were reported. They are held at \$5.25 per hundred now. Other beans are merely steady. The sweet potato market is steady. Receipts of the commodity were 279 sacks.

Arrivals of apples were 1800 boxes. The market on bellefours steadied up well. Other apples moved freely. In the fish market there were no surprises. Halibut were plentiful for the first time in several weeks. Baracuda and yellowtail were the other large fish obtainable.

Notice for Sealed Bids

TWENTY-EIGHT AS IT STANDS

Official Count Has Knocked
Five Off the Lead of L. A.
West Over H. C. Head

A difference of five votes has been shown so far in the official count of the Board of Supervisors on the district attorneyship, the close fight between L. A. West, Republican, and H. C. Head, Democrat. West has lost five votes, and as the count now stands he is twenty-eight votes ahead of Head instead of thirty-three as shown in the unofficial returns.

The mistake was discovered on opening the tally sheet of Santa Ana No. 10, which had reported on its unofficial return sheet that West got 110 votes. The tally sheet showed that the election board was mistaken by a tally, and on the official returns West is credited with 105 votes from No. 10.

This was the only development of any importance in the official canvass of Tuesday's election returns, commenced today by the Board of Supervisors, and has not been finished.

RECORDED ON THE QUESTION

Liquor Traffic Discussed at a
Meeting of Young People of
Presbyterian Church

Yesterday was World's Temperance Sunday and was recognized as such generally by the churches of Santa Ana. It was made an especial feature in the International Bible Class of the Presbyterian Sabbath school in the morning, and in a joint meeting of the Young People's Societies of Christian Endeavor of the First Presbyterian church in the evening.

The International Bible Class last April had an average attendance of from 8 to 10 on Sabbath morning; it has now an average attendance of about 40. It is making a strenuous campaign for 100 members by Christmas. It is an adult class, many of the members being above 50 years of age. This class is not only unfurling the sails of its man-of-war against the liquor forces, but it is steaming its boilers and are all ready right now for the liquor question should it come up in any form next spring. The interest in yesterday morning's lesson was unusual and the class is unanimously agreed on this question regardless of party or political affiliation. It has representatives of all the political parties and these reside in various portions of the city.

At 6 o'clock last evening a joint meeting of the Young People's and Intermediate Societies of Christian Endeavor was held. The interest taken in this meeting by a large number of the members of the congregation of the First Presbyterian church was unusual. The Sabbath school room was crowded to its full capacity and was the only regrettable feature about it was there was not time enough to discuss the questions, but the young people of this church are very practical in their meetings. For instance, last night the whole discussion was of the following two questions: First, "What should my attitude as a Christian Endeavorer be, and what should I do if the liquor question comes up next spring in Santa Ana?" Secondly, "Re-

solved that the hotels in Santa Ana should have a 'table permit' to sell intoxicating liquor." So well did the young people have this matter in hand that it was a surprise as well as an inspiration to the older members of the congregation. They seemed to have entered right into and discovered the political phase of the question at once. No doubt could possibly exist in the mind of any one present as to the sincerity of these young people. Among the young men who discussed these questions were the following: Herbert Rankin, Lewis Gaul, W. H. Morrow and Herbert Schenck. The young women proved an equal to the young men with keen conception of the question and with their suggestions as to what they might do although denied the right of the ballot.

After hearing these young people talk the older members of the congregation could not resist the impulse to say something by way of encouragement to the young people and that every one might understand fully where they stood on the question as well. Each of the following persons put themselves on record squarely as being opposed first, last and all the time to the license system in any form, table permits for hotels or otherwise: George S. Thacker, E. T. Langley, W. F. Heathman, Mrs. E. B. Norman, Rev. Stevenson and many others. As a guarantee that the young people of these societies meant business, when it came to gather in the results of the meeting, eighty-six signed the temperance pledge, pledging themselves to do all in their power to bring about the end of the drinking habit and the liquor traffic.

THEFT OF OVERCOAT IS CHARGE MADE BY HUNTON AGAINST HIM

R. A. Dalton has been brought here from Long Beach to answer a charge of petty larceny brought against him by Price Hunton. Hunton swore to a complaint charging that Dalton stole a \$12 overcoat from Hunton. Hunton says the overcoat was taken from his room. Dalton pleaded not guilty in Justice Smithwick's court, and his trial was set for 2 o'clock tomorrow afternoon.

IS OPERATIVE HEAD OF P. E.

Rapid Advancement of Paul
Shoup is of Particular In-
terest in Santa Ana

With the ascension of the Southern Pacific into control of the electric lines about Los Angeles hitherto operated by the Huntington interests, Paul Shoup becomes the operative head of the lines taken in charge by the Southern Pacific. Mr. Shoup is assistant general manager in charge of the electric lines of the Southern Pacific.

The rapid rise of Mr. Shoup in the railroad service is of particular interest to many Santa Anans by reason of the fact that his wife is well known here, where she spent her girlhood days. Before her marriage to Mr. Shoup her name was Miss Rose Wilson. Mrs. Shoup visits here frequently at the home of Dr. and Miss Boyd and at the homes of relatives, Mr. and Mrs. G. A. Edgar and the Vanderlips.

Yesterday's Los Angeles Examiner said of Mr. Shoup:

"Paul Shoup, the new head of the Los Angeles interurban lines, is one of the brilliant young men of the Southern Pacific group. He has risen rapidly in the practical school which has produced J. C. Stubbs, Julius Kruttschnitt and others who have reached the top in the railway business. Acquisition of the Pacific Electric by the Southern Pacific gives him the distinction of being the operative head of the biggest system of electric lines in charge of any one man in the world.

"In addition to the Pacific Electric, Los Angeles-Pacific and Los Angeles and Redondo lines, which together constitute an interurban system unequaled anywhere, Mr. Shoup has in his charge the city lines in Pomona and the Riverside system in Southern California, and in the north the electric lines of the peninsula below San Francisco and the Oakland and Alameda lines, which are being converted into an electric system as modern as can be built, and which will carry a tremendous traffic."

Signet Rings OF Nugget Gold

These rings are made on this coast of nuggets of gold and are fashioned after the patterns in vogue in the early days of California. They are highly embellished with beautifully engraved figures in different tints of gold, and are the most popular of all the new rings. Though representing all that is finest in the art of ring making, these rings are moderately priced.

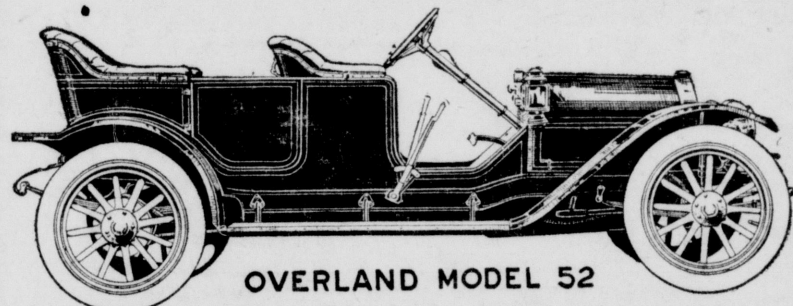

Saturday, November 26, is the date set for our holiday opening.
